Dear Mr Shah

Ref: Honour your good self for your innovative work in the field of organic fertiliser

World Book of Records (WBR) is a globally authorised and certified body for recognition, verification, adjudication, and scouting of setting on breaking world records as well as honours those who are excelling in their respective fields.

Under the distinguished segments, World Book of Records London, UK lists personalities for their matchless contribution, specific places, temples, forts, natural landscape tunnels, and organisation that contain historical, economic and cultural impact among people and a country. Its sole motive is to encourage the potential of people, place and thing having unique contributions.

The World Book of Records much appreciates your innovative work to develop Bio-Organic Liquid to improve the life of farmers with your unique concept Back to Nature.

The board and management of WBR would like to include your good self in the World Book of Records and bestow the honour for which your consent would be highly appreciated.

Yours sincerely,

Dr Diwakar Sukul
Chairman
